

Jennifer Falck, TSC Vice-Chair

Tribal Sanitarian

Oneida Tribe of Indians of Wisconsin

My name is Jennifer Falck. I am the Tribal Sanitarian for the Oneida Tribe of Indians of Wisconsin, near Green Bay, Wisconsin. I am an Oneida Tribal member, and grew up approximately 40 miles south of Oneida.

I graduated from the University of Wisconsin- Stevens Point with a Baccalaureate degree in Natural Resource Management, and I am currently pursuing a Master's in Public Administration (MPA) through the University of Wisconsin- Oshkosh.

In 1998 I was hired as an intern for the Oneida Environmental, Health & Safety Division. Currently, I manage the Oneida Environmental Health Program. The program is made of myself, an Environmental Health Technician, and the Injury Prevention Coordinator.

I have been a TSC member since October 2004, and was elected as the committee's Vice-Chairperson in June of 2005. Serving the committee has afforded me opportunities I might not have otherwise enjoyed. It's an honor to work with such dedicated people from throughout the country.
